

Invitation for the Hemato-Club Meetings 2020 (March 2020-September 2020)

Dear All,

Please find attached our suggested schedule for 2020 (please feel free to exchange presentation dates with other groups if necessary):

Wednesdays, 5.30 pm (2 presentations of up to 20-30 min)

UKJ Seminar-Room No. 3 (Ground Floor, left 'wing' of the Magistrale)

FLI Golgi Seminar Room (Ground Floor)

It would be our goal that **PhD students or Post-Docs** present their work (rather than the group leaders) to foster exchange and discussion of the projects.

Many thanks in advance for your participation and willingness to present.

Best regards

Florian Heidel & K. Lenhard Rudolph
